Using this timetable

Timetable pages show the direction that buses travel, the bus number and the days of the week that the journeys run.

Main places along the route are shown on the left, followed by the times that buses reach those places.

Where no time is shown, the bus does not pass that place on that journey.

Check any symbols which are shown and the meanings at the bottom of the page.

Timetables use the 24 hour clock.

A route plan is also included in this leaflet.
