Easy access on buses

Journeys run with low floor buses have no steps at the entrance, making getting on and off easier. Where shown, low floor buses have a ramp for access and a dedicated space for wheelchairs and pushchairs inside the bus. The bus operator will always try to provide easy access services where these services are scheduled to run.

Using this timetable

Timetables show the direction of travel, bus numbers and the days of the week. Main stops on the route are listed on the left. Where no time is shown against a particular stop, the bus does not stop there on that journey. Check any letters which are shown in the timetable against the key at the bottom of the page.

Tickets and information

Bus companies offer a range of tickets for use on their own buses. For travel on any service in the County, use System One tickets, including DaySaver. Travelshops provide tickets, information and journey planning advice on buses, trains and trams for work and pleasure.

Using the 24 hour clock

Times are shown in four figures. The first two are the hour and the last two are the minutes.

This map illustrates the routes for bus services 162 and 163. Route 162 is shown as a thick black line, starting from a terminus at Norden and ending at Piccadilly Gardens in Manchester. Route 163 is shown as a thinner black line, starting from Bury Interchange and ending at Piccadilly Gardens. The routes are interconnected, with route 163 acting as a feeder to route 162. Key locations along the routes include Bury, Heywood, Hollin, Middleton, Alkington, Blackley, Harpurhey, Collyhurst, and Shudehill. The map also shows major roads like the M66 and M62, and various bus and tram stops. A legend in the bottom left corner explains the symbols used: a thick black line for the bus route, a thin grey line for the tram line, an arrow for the direction of travel, a bus icon for bus stations/connection points, a tram icon for tram stops, and a box with the route number for terminus points. The map is oriented with North at the top.
