## Easy access on buses

All buses have no steps at the entrance, making getting on and off easier. Low floor buses have a ramp for access and a dedicated space for wheelchairs and pushchairs inside the bus. Ask the driver for any assistance you require.

## Using this timetable

Timetables show the direction of travel, bus numbers and the days of the week. Main stops on the route are listed on the left. Where no time is shown against a particular stop, it means the bus does not stop there on that journey.

Check any letters which are shown in the timetable against the key at the bottom of the page.

## Where to find information about service changes

Visit **beenetwork.com** or download the Bee Network app.

Check the service change posters displayed in the bus station or pick up a service change leaflet from your local library, town hall, shops, post office, community centre and lots of other places.

## Lost property

For lost property information visit **beenetwork.com/lost-property**

## Using the 24 hour clock

Times are shown in four figures. The first two are the hour and the last two are the minutes.

0753 is 53 minutes past 7am morning.

1953 is 53 minutes past 7pm evening.

## Information and tickets

There's a range of tickets to use on buses and multi-modal tickets for buses, trams and trains.
